TO ALL MEMBERS OF THE HOOKSETT COMMUNITY--

The Board of Selectmen is pleased to submit herewith, an account of their activities concerning the administration of the Town of Hooksett for the year 1960.

The year 1960 has been popularly characterized as the opening year of a fabulous new decade. This characterization has been emphasized on a national as well as a state-wide basis and we feel that the same thoughts may be applied to the Town of Hooksett. Beyond a question of a doubt, the problems that have vexed and perplexed during the last ten years will multiply and increase in intensity during the period ahead and by the same token our successes in the past pursuit of progress will serve as a never failing guide post to govern our actions in the future.

As you all know, 1960 was the year of the national census, and this census revealed among other things that the town of Hooksett has had a tremendous growth in population. Today, Hooksett is the fastest growing town in Merrimack County and one of the fastest growing towns in the State of New Hampshire. Presently we rank twenty-sixth out of two hundred thirty-four towns and cities in the State, from a stand point of population. It is also interesting to note that the bulk of this increase has occurred within the last five years. Think, if you will for a moment, about the reasons for these changes; the proximity of Hooksett to the two major cities of the state, the construction of new State and Federal Highways making of our town a veritable cross-road, the location of an Industrial Park within the confines of Hooksett, these are but a few of the reasons for the vast change in population.

This board of selectmen believe that these changing conditions, represent a challenge to every man, woman and child who has residence in our town and that to date this challenge has been met--but what of the future?

The past year, has seen an increase in taxable evaluation of almost three quarters of a million dollars and as was predicted a year ago, the proportion of residential and commercial evaluation was very nearly equal. This sizable increase in taxable property enabled us to hold the tax line even in the face of a sharply rising budget. We sincerely hope that the future conditions will allow us to maintain the same status quo. All articles voted upon in the affirmative in the 1959 warrant have been acted upon by the Board of Selectmen and have been carried out according to the provision thereof. In the opinion of the Selectmen, Article 8 of the 1959 warrant, pertaining to building permits, has been of surprising benefit and interest to the town. This article has not only provided

a sizable amount of revenue (something over four hundred dollars) it has enabled a strict enforcement of zoning regulations, it has enabled an accurate break-down of the value of new commercial and residential property and it has also provided the Selectmen with an invaluable tax record.

In as much as the State Highway Department saw fit to deprive the Town of Hooksett of the room that was used by the town as a Municipal Court Room, it became incumbent upon the Board of Selectmen to provide the court with new facilities. This was accomplished by partitioning off a section of the Town Hall that included the entrance to the Selectmen's office. The addition and furnishing of this room was accomplished at a nominal cost plus the free donations of a considerable amount of material and labor. This room has admirably served the courts' purpose as well as providing an excellent meeting place for the conduction of town affairs.

The Board of Selectmen wish to commend the Police and Fire Departments for their excellent record of service and devotion to duty during the past year. We feel that the time is not far distant when the budgets of these services will have to be revised upward to meet the need of our expanding population and economy. We feel that it is appropriate to mention at this time that Mrs. Rebecca Benedict of West Stearns Avenue has donated the sum of four hundred fifty dollars to the South Hooksett Fire Department for the purchase of a Resuscitator. May we extend the thanks of the entire Town of Hooksett to Mrs. Benedict for this fine contribution.

To the elected officers of the Town, to the various boards and agencies who have given unstintingly, of an ever increasing amount of their time and effort in order to make Hooksett a better place in which to live, this Board of Selectmen extends thanks and appreciation. You are certainly representative of the people who recognize the challenge and are helping to meet it.

As we close this brief report, may we urge each and every one of you to lay aside personal and selfish interests and direct all of your civic activities in such a manner that no one may say at the turn of the next decade that the people of Hooksett failed to meet their responsibilities or to accept the challenge of the sixties.

Sincerely,

JAMES G. FOLLANSBEE
LESLIE M. PIKE

Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hooksett in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hooksett on Tuesday, the fourteenth day of March, next at ten of the clock in the forenoon, to cast your ballots of Town Officers. Polls close at 6:30 P.M., action on remainder of warrant starts at 7 P.M.

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to give a discount of two (2%) per cent on all taxes, except poll taxes, paid on or before the fifteenth (15th) day of July, and to grant the Selectmen authority to extend this date if unable to get tax rate from State Tax Commission as of July 1st.
3. To see if the Town will authorize the Selectmen to hire money in anticipation of the 1961 taxes, to be repaid therefrom.
4. To hear the report of the Selectmen, Town Treasurer, Agents, Auditors and Committees, or other officers heretofore chosen or appointed and to pass any vote relating thereto.
5. To see if the Town will vote to raise and appropriate the sum of five hundred twenty three dollars and thirty seven cents (\$523.37) the State to furnish three thousand four hundred eighty nine dollars and eleven cents (\$3,489.11) the same to be expended under the State Highway Department for Class V Town Road Assistance, or take any action thereto.
6. To see if the Town will vote to raise and appropriate the sum of eighteen thousand (\$18,000), to be amortized over a period of six (6) years, to convert the existing Town Hall into a Municipal building, housing the Executive, Judicial and Administrative offices as outlined in the Building Committee's Report. (Approved by the Budget Committee)

7. To see if the Town will vote to adopt a schedule of rental rates for the Town Hall as follows:

1. From and including May 1 thru September 30 - \$10.00. (ten dollars)

2. From and including October 1 thru April 30 - \$15.00. (fifteen dollars)

3. If kitchen privileges are required - \$5.00 (five dollars) to be added to either of the above.

The above rates shall become effective immediately upon passage of this article and the Board of Selectmen will act as rental agents.

8. To see if the Town will vote to raise and appropriate the sum of one thousand (\$1,000) dollars to be used in publicizing and promoting the Town's industrial potential to industry interested in locating in Hooksett. (Approved by the Budget Committee)

9. To see if the Town will vote to raise and appropriate the sum of eleven hundred (\$1,100.00) dollars for the installation of a new hot water heating system at the South Hooksett fire station. (Recommended by the Building Committee and approved by the Budget Committee)

10. To see if the Town will vote to adopt the following ordinance pertaining to oil burners:

1. **PROHIBITION:** It shall be unlawful for any person or persons, firm or corporation to install power oil burner equipment, of any kind, without first obtaining a permit for such installation from the Chief of the Fire Department.

2. **TEMPORARY PERMIT:** Upon the receipt of an application for a permit for the installation of power oil burner equipment, the Chief of the Fire Department shall issue a temporary permit for such installation.

3. **INSTALLATION:** Installation under the temporary permit required in section 2 shall be in accordance with the rules and regulations of the New Hampshire Board of Fire control promulgated under RSA 153.

4. **PERMANENT PERMIT:** Upon completion of the installation the temporary permit shall become void and the Chief of the Fire Department, after having inspected the installation or otherwise satisfying himself that it is in accordance with this ordinance, shall issue a permanent permit covering the storage of oil and the operation of the equipment installed as provided herein.

5. **PENALTY:** Every person or persons, firm or corporation violating any provisions of this ordinance, shall be fined not more than ten dollars for each day such violation shall exist. (Inserted by Planning Board)

11. To see if the Town will vote to pass the following By-Laws relative to Trailer Permits:

1. **PROHIBITION:** It shall be unlawful, within the limits of the Town of Hooksett for any person or persons, firm or corporation to park any trailer or mobile home on any tract of land owned by any person for the purpose of occupying said trailer for living or any other purpose, without first having obtained a permit for such trailer or mobile home as provided herein, except that this ordinance shall not apply to trailers or mobile homes parked in trailer or mobile home parks as defined in the Hooksett Zoning Ordinance.

2. **APPLICATION:** Any person, or persons, firm or corporation required to obtain a permit under Section 1 shall make application to the Board of Selectmen for a trailer permit, on such forms as the Selectmen shall approve, showing the description of the Trailer, the name and address of the owner and the occupant if different than the owner; the location of the premises upon which the trailer is parked, and the name and address of the owner of the premises, and the length of time the trailer will be located thereon. Each such petition shall be accompanied by a sketch showing the boundary lines of the lot upon which the trailer will be located and the location of the trailer and any existing buildings on the lot. Such sketch shall also show distances from lot lines and street lines to said trailer and buildings, if any, together with the size of the trailer, buildings and lot and any other information the Selectmen may require.

3. **PERMIT:** The Board of Selectmen shall issue a permit for the trailer described in said application and accompanying sketch, after they have examined the premises, or otherwise satisfied themselves that the proposed location of said trailer is in conformity with the Zoning and other ordinances of the Town. The permit so issued shall cover the trailer described therein so long as it shall remain at the location shown in the application, and shall become void when said trailer is moved.

4. **PENALTY:** Every person, persons, firm or corporation violating any provision of this ordinance shall be fined not more than ten dollars for each day such violation shall exist. (Inserted by Planning Board)

12. To see if the Town will vote to authorize the Board of Selectmen to charge a fee of \$5.00 for each application to defray the expense of processing permits applied for under the preceding article. (Inserted by Planning Board)

13. To see if the Town will vote to amend Article 4, Section A-5 of its Zoning Ordinance by deleting the words "Farm and" at the beginning of said sub-section, so that it will read:

5. Garden activities are permitted when incidental to primary residential use, but any use injurious, obnoxious or offensive to the neighborhood is prohibited. (Inserted by Planning Board)

14. To see if the Town will vote to resind Article 15 Section C of the Zoning Ordinance and insert in its place the following new article:

Article 15 Section C: Tourist Home means any place consisting of a room or group of rooms located on one premise where transient accommodations for sleeping or living purposes are provided for a price. (Inserted by Planning Board)

15. To see if the Town will vote to accept the budget as submitted by the Budget Committee or take any other action in relation thereto.

Given under our hands and seal, this seventeenth day of February, in the year of our Lord nineteen hundred and sixty one.

ABSTRACT OF ACTION ON ARTICLES IN WARRANT,
MARCH 1960 TOWN MEETING.

Meeting called to order by the Moderator George A. Cook at ten o'clock in the forenoon. Voted to keep the polls open for the duration of the business part of the meeting.

ARTICLE 1. Officers chosen in open meeting. Weighers of Commodities: Homer Enderson, Rutger Broek, Leslie M. Pike, John Bates, Roland Casey, James Gilbert and Edward O'Connor. FENCE VIEWERS: George A. Cook, Walter B. Scott, George Blakeslee and Edward DeDevoir. SURVEYORS OF WOOD & LUMBER: Walter B. Scott and Alfred Rousseau. HOG REEVES: William Northrup, Jr. Vernon Robinson, Alice Robinson, William Courser and Helen Courser.

ARTICLE 2. Voted to give a discount of 2% on all taxes except poll and head taxes, paid on or before the 15th, day of July, and to grant the Selectmen authority to extend this date if unable to get rates from the State Tax Commission as of July 1st.

ARTICLE 3. Voted to authorize the Selectmen to hire money in anticipation of the 1960 taxes, to be repaid therefrom.

ARTICLE 4. Motion made and carried that this article be adopted with the corrections calling for the following changes: Page 9 (Town Report) Budget: Under Highway and Bridges, change article to read; "Sidewalk". Page 10, Articles approved, 16 instead of 17. Page 15, under Protections of Property, add Police Department \$1460.50 Page 25, Change Retirement Tax to \$591.00

ARTICLE 5. Voted to raise and appropriate the sum of \$100.00 to purchase advertising space in the 1961 Guide of the Merrimack Valley Region.

ARTICLE 6. Motion made and carried to raise and appropriate the sum of \$514.83 the State to furnish \$3,432.22 the same to be expended under the State Highway Department for Class V Town Road Assistance.

ARTICLE 7. Motion made and carried to accept the street that runs from the old Lincoln Park school to the Daniel Webster Highway from Paul Guimond, only 25 feet wide, provided he meets all the rest of the requirements set forth in the new Street Ordinance.

ARTICLE 8. A Voter asked for clarification of this Article, which was explained by Selectmen Follansbee. Several others spoke both for and against this article, following which a voice vote was taken with Moderator being in doubt as to the result: Paper ballot asked for, using the check list. The result: Whole number of votes cast: 270, Yes, to adopt: 148, No, to reject: 122, Moderator declared article adopted requiring Building Permits.

ARTICLE 9. Selectman Follansbee gave reason for fees under this Article, saying they were not intended to cover anything more than cost of administration. Put to a vote, Moderator declared the Article adopted, requiring fees for building permits.

ARTICLE 10. Upon motion duly made and seconded, it was voted to pass over this article, because it was covered in the budget under Town Road Aid.

ARTICLE 11. Voted to raise and appropriate the sum of \$2,100.00 for the construction of a sidewalk to continue on the west side of South Main St. to the Village School.

ARTICLE 12. Selectman Moring gave some statistics relative to taxes received from industries located in the Industrial Park, following which it was voted to raise and appropriate the sum of \$2500.00 to be expended on a matching basis with the State Industrial Park Authority on the grading, loaming and seeding of the Industrial Park.

ARTICLE 13. Motion made and carried to raise and appropriate the sum of \$2000.00 to be expended for the clearing and fencing of the new Town Dump as required by the State Forestry Department and the State Board of Health. This dump to be located on the Chester Turnpike, south of Rowe's Corner.

ARTICLE 14. Motion made and seconded that this Article be adopted. Extended discussion followed in which several voters spoke both for and against this article. Members of the Town Building Committee were called upon to give explanation of its decision in this respect, said Building Committee members speaking in favor of adopting the article. A ballot vote, using the check-list was called for. The result: whole number of votes cast, 238. Yes to adopt, 141, No to reject, 97. Necessary to carry: 158 2/3ds votes. Moderator declared vote in the negative, on the article to convert the existing Town Hall into a Municipal building.

ARTICLE 15. Voted to pass over this article which called for annual Town Meetings to be held at the Underhill Auditorium provided such an auditorium is built by 1961.

ARTICLE 16. A move to adopt was seconded. Moderator in doubt on voice vote. Ballot vote called for, using the check-list Result: whole number of ballots cast, 196. YES to adopt, 92, No to reject, 104. Moderator declared vote in the negative relating to raising salaries of the Selectmen. A unanimous vote of thanks was given the Selectmen for their past efforts. Response made by Selectman Pike.

ARTICLE 17. A voter questioned the Selectmen relative to several items in the budget, including a \$700.00 item raised at a previous meeting for acquiring land at Head cemetery. Selectmen Morin and Follansbee responded, following which, was moved and supported to adopt the budget as printed, excluding those items voted on separately in the Warrant.

Ralph W. Page moved to reconsider Article #16, seconded, discussion, Walter Scott moved to adjourn, seconded and so voted. Moderator declared meeting adjourned in relation to voting on articles in the Warrant at 10:45 P. M.

Total number of names on check list - 2, 135.

Total number of Town ballots cast - 843.

For Selectman for three years -	Alfred J. Law	had	252	Votes
	Oscar Morin, Jr.	had	490	Votes
	William Nagel	had	59	Votes
For Town Clerk -	Charles R. Hardy	"	787	"
For Tax Collector -	Sarah M. Hardy	"	779	"
For Town Treasurer -	Dorothy M. Squire	"	708	"
For Road Agent -	Leo G. Belisle	"	258	"
	George A. Cook	"	542	"
For Overseer of Public Welfare -	Charles E. Woodbury		742	"
For Trustee, Trust Funds, 3 yrs.	Leon Boisvert	"	714	"
For Library Trustee, 3 yrs.	Evelyn L. Howe	"	717	"

Those having a plurality of votes as well as those unopposed, were declared elected by the Moderator and were duly sworn in by him.

Moderator's 1960 appointment to the Budget Committee - Fred Walker, Nelson Lambert, Roland Levesque for three year terms expiring in 1963.

Following the counting and sealing of all ballots including Presidential Direct Primary ballots, the Moderator made open declaration of the number of votes for each candidate, after which, said meeting was declared adjourned, upon motion, by the Moderator at 4:15 A. M. March 9, 1960.

BUDGET COMMITTEE REPORT

As a preamble to our report to the townspeople it is the desire of the Budget Committee to outline its duties and responsibilities in preparing all the budgets of the Town.

The Committee consists of nine members at large, one member from the School Board, one member from each Water Precinct, and one member from the Board of Selectmen.

It is the duty of the Committee to prepare each budget, and it must, by majority vote, adopt each budget, item by item. Under the existing statutes it is required that the Committee approve or disapprove each item and it cannot submit items without recommendation. It is well to remember that the Committee is responsible to the taxpayers and must therefore grant approval only to items which are deemed essential and necessary for efficient operation and growth of the town, thereby keeping any increase in tax assessments to a minimum.

TOWN BUDGET

The Committee held its first meeting pertaining to the Town Budget on January 24th, at which time an itemized report of expenditures for the year 1960 was given by the various department heads and also their proposed budget needs for the ensuing year. It was noted that a conscientious effort had been made by these officials in keeping their requirements to essential items only, thereby keeping the overall Town Budget within bounds and with no appreciable increase over the preceding year.

Article #6 - Remodeling of Town Hall:

Every year, as the population and volume of taxable property within the town of Hooksett increases, it becomes increasingly evident that a central office should be provided for the efficient and business like conduction of the Town affairs. We have therefore unanimously recommended the use of the town hall for this purpose and have approved the sum of \$18,000.00 to implement this article.

Article #8 was submitted by petition from the members of the Hooksett Men's Club. It is for the purpose of promoting the Town and its facilities in an effort to induce industry to locate here. It is well to keep in mind that industry is a requirement badly needed and definitely essential to the Town if we are to remain solvent and maintain taxes within the capabilities of the property owners. The Committee agrees very strongly with the intentions as set forth by the Men's Club. It is our opinion that this amount is a

very small contribution towards the job to be done, however, it is felt that this is definitely a step forward and thereby we have given approval to the article.

Article #9 was reviewed carefully by the Committee. A report from the fire department in regards to the present cost of heating this building showing the deficiencies of the present system led us to unanimously approve this article since there was little doubt that this was needed and would result in a definite savings to the Town. This item was recommended by the Building Committee.

Capital Reserve: The appropriation for Capital Reserve Fund to be used towards the replacement of town equipment shows an increase of \$1,000.00. A review of the equipment now in use indicates that much of it will soon need replacement. By increasing the current appropriation it is felt that more money will be available towards such purchases and the necessity of borrowing and payment of interest will be eliminated, thereby creating a savings in tax dollars.

WATER PRECINCTS

A meeting was held on January 31st in regards to the expenditures and budget requirements of the Village Water Precinct and the Central Hooksett Water Precinct. After a careful examination of the expenditures for 1960, and the proposed budgets for 1961, it was noted by this Committee that both of these Precincts have operated wisely during the past year and that their appropriations looking towards 1961 were approximately the same as the previous year showing an increase of less than one per cent.

An over expenditure of \$2,443.00 was indicated by the Central Hooksett Water Precinct. This was for work done by the Precinct for which it was reimbursed. It is recommended that an amount be allotted for this purpose in the 1961 budget, along with a corresponding credit so as to keep with the approved budget.

SCHOOL DISTRICT

The Committee held three meetings pertaining to the school budget. The first meeting was held on February 8th at which time the School Board outlined the proposed budget for 1961-62. An open meeting was held on February 16th. It was hoped by the Committee that a general feeling and desire of the voters could be obtained at this time which would be of valuable assistance to us in an effort to properly and fairly present this budget to the people. However, the attendance at this meeting was very limited. Although some comments were heard it could not be considered the general feeling of the townspeople.

An examination of the budget as proposed left little doubt in our minds that an increase of major proportion was requested and would thereby constitute a substantial increase in tax assessments.

The Committee met in closed session on the evening of February 16th and examined each item of the budget very carefully, comparisons with past years were made, reports were heard and considered, which resulted in a unanimous decision that a decrease in appropriations totaling \$25,364.55 could be made without creating a definite hardship or decrease the operating efficiency of our school system. An itemized report of sections decreased appears below.

Article #5 - New School: This article necessitated a difficult decision from the Committee. The information made available to us was very limited, and was not considered adequate due to the amount of expenditure involved. However, it was felt that to disapprove the article would automatically deprive the voters of making their wishes known since any article disapproved by the Budget Committee cannot be voted on. Because of this, the Committee, by majority vote approved this article, thereby leaving the final decision to the voters.

Salaries (Budget): Salaries were decreased by \$12,400.00. \$3,700.00 was found to have been included in the budget by error. An additional \$3,700.00 represents the proposed salary for one teacher to which it was agreed by the School Board could be eliminated for the 1961-62 session. \$5,000.00 represents the salary for a proposed remedial reading specialist the necessity of which could not be justified at this time. It was reported to the Committee that this was presently being handled by the principal at one of our schools and it was felt that it could be handled in a similar manner at our other school.

Music Program: This item was decreased by \$1,564.55 which represents payment of an instructor in musical instruments and band practice. This was felt to be unnecessary due to the very limited number of pupils benefiting from this program and that the amount of benefit received did not justify the expenditure.

Books, Scholars Supplies Etc.: This account was decreased by \$2,000.00 which left a net increase of \$200.00 over the previous budget and was in excess of the estimated amount to be expended during the 1960-61 period, based on expenditures to the present time.

Additions & Improvements: Athletic field \$5,500.00 and Asphalt paving \$2,200.00. Because of the already large school budget, it was felt that these two items were not necessities at this time and that these expenditures should be considered in the future.

Retirement: This account was decreased in proportion to the decrease in salaries and amounted to \$1,200.00.

In closing our report we wish to express our thanks to the Board of Selectmen, the School Board, and all other town officials for their valuable assistance in explaining all proposals brought before us. Our decisions were based on information available and were made in an unbiased nature to the best of our ability. We are hopeful that our judgements have been wise and to the benefit of the Town and its citizens.

PLANNING AND DEVELOPING COMMITTEE 1960

The Planning and Developing Committee is comprised of seven members: Chairman Ralph Page, Oscar Morin Sr., Nelson Lambert, James Follansbee, Russell Carter, Roland Levesque and Norman Wright.

Eight meetings and a Special Town Meeting have been held in 1960. Members have worked with the Selectmen and Lawyer Woodbury in drawing up and submitting plans for Building Permits. These were voted on and accepted at the 1960 Town Meeting. The Zoning, Planning and Other Ordinances has been revised and a new book printed.

At the request of the Planning Board the Selectmen sponsored a Special Town Meeting on October 14th to see if the Town would vote to amend Article III of its Zoning Ordinance and also to rescind the provisions of the Zoning Ordinance relating to Trailers and/or Mobile Homes contained in paragraph E, Article IV and paragraph F, Article V, said paragraphs being superseded by the provisions of Article I of this Warrant. This Special Town Meeting was held and it was unanimously voted to accept the amendment of Article III and to rescind the provisions of Paragraph E, Article IV and paragraph F, Article V.

Respectfully submitted,

Dorothy M. Squire, Clerk

Seventy-four building permits were issued in 1960.

New Commercial Buildings	2
New Additional Commercial Buildings	5
Additions to Commercial Buildings	6
New Residential Homes	31
Residential Additions	18
Camps, Sheds and Garages	12
Total Permits	74

Revenue received from permits \$ 410

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment is comprised of five members, Chairman; Adelard Gagnon, Oscar Morin, Sr., Guy Campbell, Robert Tuttle and Paul Simpson.

Eight meetings have been held in 1960 and nineteen requests have been brought before the Board (#24 through #42).

Requests granted - File #24-25-26-29-30-31-32-34-38-39-40-41-42.

Requests denied - File #27-28-33-35-36-37.

Nine requests were for variance in required land area, front or side yard requirements.

Three requests were for the erection of signs.

Four requests for the removal of loam or top-soil.

Three requests were for the installation of trailers.

Meetings are scheduled to be held on the third Tuesday of each month at the Municipal Court and Selectmen's Office.

Respectfully submitted,

DOROTHY M. SQUIRE, Clerk

Hooksett Citizen of the Year - 1960

GEORGE COOK

Selected by the Hooksett Mens Club as the outstanding citizen of 1960 - for his deep and untiring devotion to the Town of Hooksett.

REPORT OF THE ROAD AGENT

To the Honorable Board of Selectmen and Citizens:

I herewith submit for your approval my twenty-eighth annual report as Road Agent for the year ending December 31, 1960.

Rubbish Collection

There has been an increase in the number of families throughout the year. At the end of the year we were picking up from 934 families and the three Trailer Parks with 115 families and also 59 business concerns. The average weekly cost per family is .09 cents and per business place .77 per week.

Cost of Maintenance of Load Packer	\$ 121.15	
Cost of Maintenance of Mack Truck	816.69	
Labor on pick up	5,524.97	
Materials for cover	379.84	
Fire Guard	289.25	
	<u>\$7,131.90</u>	
Credit Receipts	<u>12.75</u>	\$ 7,119.15
Hourly cost of Load Packer	.10	
Hourly cost of Mack Truck	.50	
Hourly cost of Labor	<u>4.05</u>	
	\$ 4.65	

Article 13 Preparing New Dump Site

Back hoe	\$ 181.50	
Truck	61.50	
Pipe	57.20	
Clearing site	250.00	
Bulldozer	132.30	
Fence	1,100.00	
Labor	<u>217.50</u>	
	\$ 2,000.00	

Forest Fires

Labor	\$1,572.11	
Due from Boston & Maine R.R.	<u>1,175.32</u>	
State and Town Share		\$ 396.79
Credit from State		<u>124.57</u>
Town Share		\$ 272.22

Winter Maintenance

We used 120 tons of salt and 203 tons of sand in the maintenance of winter roads.

Materials	\$4,987.67	
Trucks and Snow Plows	1,617.70	
Labor	<u>7,013.93</u>	
		\$13,619.30

 1958 Garage type Compressor
 1958 Air Grease Gun
 1959 Snow Blower
 1959 Air Wrench

GEORGE A. COOK,
Road Agent

HOOKSETT VILLAGE FIRE DEPARTMENT

In addition to the statistics listed below, this department answered four calls for the resuscitator, investigated eight calls from the forest fire lookout tower.

During the year we purchased a new fog nozzle, 2 1/2 and 1 1/2 inch hose, a new light weight portable pump. We also purchased new fire fighting equipment such as helmets, coats and boots for the Hooksett Village junior firemen.

Through the efforts of Mr. Hemeon, Director of Civil Defense, he purchased for this department a 5 K W aux. generator for electric power in the fire station. Should we lose our electric power, with this generator we can still sound our fire alarm, have lights and operate our two way radio communication system.

Again this year during the forest fire season we had a fireman on duty each and every Sunday from eight a.m. to eight p.m.

We wish to extend our sincere thanks to each and everyone who helped to keep fires at a minimum in our community.

STATISTICS FOR 1960

8 brush and woods fires
5 chimney fires
9 house fires
8 calls from fire towers
4 false alarms
4 calls for resuscitator

Breakdown of Appropriation and Expenditures for Fire Dept. #1

Mrs. Rebecca Benedict
29 West Stearns Avenue
Manchester, New Hampshire

Dear Mrs. Benedict:

On behalf of all the members of the South Hooksett Fire Department I would like to extend our sincere thanks to you for your contribution of \$450.00 towards the resuscitator which was recently purchased. The membership was informed of your generosity at our regular meeting of January 9, 1961 and it was unanimously voted that a suitable plaque identifying you as the donor in memory of your family be permanently installed on the outside of the carrying case.

As we all know this is a most valuable piece of life saving equipment for the benefit of all townspeople. The resuscitator has arrived and all the members have received a two hour course on instruction pertaining to the operation, given by a factory representative. It is now in service and ready for immediate use in case of an emergency.

I would like to express our praise of such fine public spirit and thoughtfulness to the fire department and the people of the town in which we live. Again may we say thank you.

In submitting our report of expenditures for the year 1960 which appears below, we would also like at this time to mention some items which might be of interest to the people of our district.

1. A total of 29 calls were answered directly affecting taxable property valued at \$292,400.00. Of this amount a total loss of taxable property amounted to \$39,800.00. In answering these alarms, department personnel spent a total of 804 manhours in actual fire fighting. 11 of these calls occurred at night and 18 during the daylight hours.
2. After having completed a ten week training course given by Captain Leon C. Boisvert, department instructor and also having received a fire training certificate from the Fire Chief's Club of New Hampshire Training School which they attended, four new members were added to the department during the year.

3. An Emerson Resuscitator capable of handling two persons at one time was also added to our equipment during this year. (See Letter). Upon delivery all members of the department received a two hour course of instructions from a factory representative pertaining to the operation of this valuable piece of life saving equipment. This resuscitator is now in service and available for immediate use at all times.
4. In continuing our progress towards a fully equipped kitchen, a four burner electric stove was installed. This stove was purchased with funds raised by the members of the department.

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed - all because MANY are CARELESS with fire in and near woodland. This can be remedied. You can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First - by setting a good example YOURSELF - being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second - by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning - don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles - make sure they are out - use your ash tray.
5. Don't burn at home - use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires 5

Number of acres burned 23

Number of permits issued 128

THOS. J. KING, District Fire Chief.

GEORGE A. COOK, Forest Fire Warden.

LIBRARY REPORT
1960

ARAH PRESCOTT LIBRARY
REPORT FOR 1960

The year 1960 has again shown an increase in all ways. A total of 3025 books were circulated-an increase of 408 over the previous year. This figure does not include the many reference books used at the Library. Over two hundred books were added to the collection, of which one hundred and eleven (111) were gifts which we were very pleased to receive. New lights have been installed and this year we plan to redecorate the interior of the Library. We receive up to two hundred books every eight weeks from the Bookmobile, which is a mobile unit of the New Hampshire State Library. Every attempt is made to fulfill your requests for books either through the Bookmobile or by direct request to the New Hampshire State Library.

It is hoped that we can arrange a way to increase the availability of the Library this year. Meanwhile we invite you to patronize your Local Library which is now open on Saturday afternoon from 12 - 4.

EVELYN L. HOWE,
Librarian

Civil Defense

It is with great pleasure as Director of Civil Defense that I submit for your approval my fourth annual report on Civil Defense for the year ending December 31, 1960.

During the past year we had six Civil Defense Alerts, as listed: one flood alert, one national alert, this is a national exercise and the participation of all cities and towns is required, one tornado alert, one hurricane alert, "Hurricane Donna" and two state Civil Defense alerts to test our telephone warning system from the State Civil Defense Headquarters, Concord, N. H.

We also remodeled our boathouse. This is where the emergency boat is kept mounted on a trailer ready to use should any emergency arise. Most of our civil defense emergency equipment is stored in this building ready to use when needed.

We have during the past year continued to purchase from the State Distributing Agency at Concord, N.H. government surplus supplies for the fire departments, the police department and civil defense whenever suitable items were available.

Civil defense activity and meetings will be increased this year due to world tension and natural causes such as floods, tornados and hurricanes which seem to be on the increase. We have as of February 3, 1961 held two civil defense assembly meetings at the Fred C. Underhill School as to what procedure should be used at school if a civil defense alert should happen during school hours.

Once again I wish to extend my sincere thanks to all of the Civil Defense members, the Board of Selectmen, the Police Department, the South Hooksett and the Hooksett Village Fire Departments and the Hooksett Board of Health for volunteering their time and services for this most worthy cause.

Respectfully submitted,

Richard H. Hemeon,
Local Director
Civil Defense, Hooksett

CONCORD

March 21, 1960

Board of Selectmen
Box #688
Hooksett, New Hampshire

Gentlemen:

This is in reply to your letter of March 15th, relative to a special appropriation of \$700.00 which was made in 1957 for the purpose of purchasing land to enlarge Heads Cemetery. Because of the fact that this appropriation was made for a specific purpose which had not been carried out on December 31, 1959, it is my opinion that it will be proper to make a revision of the Balance Sheet of December 31, 1959 and set up this account as an appropriation liability therein. It will be possible to make this change in view of the fact that there was a current surplus of \$3,324.09 at the close of the fiscal year.

Your comments relative to the audit and report are very much appreciated.

Yours very truly,

Harold G. Fowler, Director
DIVISION OF MUNICIPAL ACCOUNTING

HGF:dw

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 16, 1961

Board of Selectmen

Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hooksett for the fiscal year ended December 31, 1960, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Municipal Court and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1959 - December 31, 1960: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1959 and December 31, 1960, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by \$949.16 in 1960.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt

Net Budget Deficit \$ 3,950.16

Decrease in Net Debt

Long Term Notes Paid	\$3,000.00	
Decrease in Accounts Payable	<u>1.00</u>	
		<u>3,001.00</u>
<u>Net Increase</u>		<u>\$ 949.16</u>

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1960, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$3,235.76, plus a revenue deficit of \$714.40, resulted in a net budget deficit of \$3,950.16.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1960, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1960, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Deficit:

It is noted that the current financial condition of the Town changed from a current surplus (excess of total assets over current liabilities) of \$2,624.09, to a current deficit (excess of current liabilities over total assets) of \$1,325.07, in 1960, as shown here-with:

	<u>December 31, 1959</u>	<u>December 31, 1960</u>
<u>Total Assets</u>	\$94,852.77	\$120,751.00
<u>Current Liabilities</u>	<u>92,228.68</u>	<u>122,076.07</u>
<u>Current Surplus or</u> <u>(Deficit)</u>	\$ 2,624.09	(\$ 1,325.07)

Trust Fund Income and Other Appropriation Credits:

Trust fund income which is earmarked for a specific purpose (cemeteries, library, etc.), the expenditure of which is in addition to the amount appropriated for such purpose, should be credited to the appropriation account rather than included as estimated revenue in the budget. Items such as "Road Toll Refunds", "Forest Fire Refunds", "Old Age Assistance Reimbursements", etc., should likewise be treated as appropriation credits rather than revenue accounts.

Surety Bond of Town Clerk:

The surety bond of the Town Clerk should be increased from \$2,500.00 to \$6,000.00 in order that the amount of the bond may be more proportional to the amount of funds received by this official.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hooksett for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler
Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

February 16, 1961

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Hooksett for the fiscal year ended December 31, 1960. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1960, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler,
Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 12, 1960

The School Board
Hooksett School District
Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Hooksett School District for the fiscal year ended June 30, 1960, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1959 and June 30, 1960, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$27,473.33 during the fiscal year ended June 30, 1960.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1960, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$3,184.17, plus a revenue surplus of \$1,989.16, resulted in a net budget surplus of \$5,173.33.

Statement of Receipts and Expenditures (Exhibit E-1)

A statement of receipts and expenditures for the fiscal year ended June 30, 1960, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance, as of June 30, 1960, is indicated in Exhibit E-2.

School Lunch Account - Statements of Receipts, Expenditures and Proof of Balance: (Exhibits F-1 and F-2)

Statements of receipts and expenditures and proof of balance for the Village School and Undershill School Lunch accounts are presented in Exhibits F-1 and F-2.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1960, showing annual debt service requirements, is contained in Exhibit G.

Pre-payment of Note and Interest:

It is noted that notes and interest in the amount of \$2,806.25 which were not due until July 16, 1960, were paid prior to June 30, 1960. The amount of this pre-payment, \$2,806.25, is included as an asset account in the balance sheet and makes up part of the current surplus. Inasmuch as the amount of this pre-paid note and interest is included in the debt service appropriation in the 1960-61 school budget, the account will be taken care of thereby.

GENERAL COMMENTS

HOOKSETT SCHOOL DISTRICT

Current Deficit - Surplus:

The current financial condition of the School District changed from a current deficit (excess of current liabilities over total assets) of \$1,177.76, to a current surplus of \$3,995.57 during the fiscal year as shown by the following statement:

	<u>June 30, 1959</u>	<u>June 30, 1960</u>
<u>Total Assets</u>	\$3,450.21	\$17,387.37
<u>Current Liabilities</u>	<u>4,627.97</u>	<u>13,391.80</u>
Current (Deficit) or Surplus (\$1,177.76)		\$ 3,995.57
	<u> </u>	<u> </u>

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Hooksett School District for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler
Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

August 12, 1960

Certificate of Audit

This is to certify that we have examined and audited the accounts of the Hooksett School District for the fiscal year ended June 30, 1960. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1960, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler,

Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

WATER COMMISSIONERS

JOHN B. MULAIRE	Term expires 1961
EUCLID CADRETTE	Term expires 1962
ALFRED COLLERETTE	Term expires 1963
GEORGE BROWNING, JR.	Term expires 1964
LESLIE M. PIKE	Term expires 1965

REPORT OF WATER COMMISSIONERS

During the year 1960 the system was again enlarged by the addition of 500 feet of 8" main on Bernice and Otterson Streets and 1000 feet of 6" main on Bert Street in the new housing development presently being constructed on the Otterson property. This main extension was installed by Manchester Paving Co., Inc. under the supervision of the Precinct and financed by the developer in accordance with the Precinct's extension policy. These new mains have been provisionally accepted by the Precinct, subject to a one year guaranty on workmanship and materials and are now in service. To date one new hydrant and nine services have been installed in the Otterson Development.

In addition to this project seven new services have been installed on existing mains for a total of sixteen additional customers during the year. The Precinct has changed some of its customers served by the old Arel system to the new system and discontinued some of the old Arel mains. It is planned to continue this policy by changing over additional customers in 1961.

Improvements were made at the standpipe during the past year by the renewing of the altitude and Pilot valves to improve the control of pressure and overflow.

The new Water Supply voted by the Precinct last spring has been completed and tested by the engineer and found to be satisfactory. This project consists of a dam on Brickyard Brook to collect water from that drainage area. This water is then piped by means of a 16" main to Pinnacle Pond. This system was put in use for a two day period starting December 8, 1960 and during this short period it was possible to raise the level of the pond more than two feet with a rate of flow of 30,000 gallons per minute. It is expected to fill the pond to overflow in the spring which will greatly increase the Precinct's water supply.

BOARD OF WATER COMMISSIONERS

This is to certify that we have this day examined the books and accounts of the Superintendent, Treasurer and Clerk of the Hooksett Village Water precinct, and find them all neatly and properly kept and all money properly accounted for.

RENA B. WATSON,
RACHEL A. LaFLEUR,
Auditors

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Hooksett qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said District on the 11th day of March, 1961, at two (2) o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary District Officers for the year ensuing.

2. To hear the report of the joint School Committee, established under Article 9 of the Warrant for the 1960 District Meeting, to meet with the School Boards of Allenstown and Pembroke, to study the feasibility of forming a co-operative School District, with those districts, for the purpose of constructing and operating a Junior High School.

3. To see if the District will vote to Petition the State Board of Education to become a member of a co-operative secondary School District which shall include in addition to this district the School Districts of Allenstown and Pembroke, or either of those districts.

4. If Article 3 is adopted, to see if the district will elect two representatives, to be elected at this school meeting to serve on an Interim Committee to prepare a financial budget for the operation of the proposed co-operative school district and to perform such other duties as may be required of said Interim Committee.

5. If Article 3 is not adopted, to see if the district will vote to authorize the School Board to construct a new school building to be used as an advanced Elementary School for the Hooksett School District, said building to consist of twelve class rooms, a combination auditorium - gymnasium, a cafeteria and such other space as shall be deemed necessary by the School Board for this purpose, together with adequate kitchen, sanitary and heating facilities; to furnish and equip the same; and to execute any and all contracts or agreements and to make any and all purchases of land, supplies and materials necessary in connection with the construction of said building; and to see if the District will vote to authorize its School Board to borrow a sum of money not to exceed Four Hundred Five Thousand (\$405,000.00) Dollars on the credit of the District by the issue of Serial Bonds, as provided in RSA 33 for the purposes specified herein and to determine the time and place of payment and the form of said Bonds and the rate of interest thereon, and to provide for the sale thereof.

(This article approved by the Budget Committee.)

6. To see if the District will vote to raise and appropriate the sum of Fifty-five Hundred (\$5,500.00) Dollars to clear and grade an area at the Underhill School to be used as a ball field.

(This article disapproved by the Budget Committee.)

7. (By Petition of the Underhill Parent-Teachers Association.) To see if the District will vote to raise and appropriate the sum of One Thousand (\$1,000.00) Dollars to establish a library at the Underhill School and to purchase books, supplies and equipment therefor.

(This article disapproved by the Budget Committee.)

8. To see if the School District will vote to accept the Budget as submitted by the Budget Committee, or take any other action in relation thereto.

9. To see if the District will authorize the School Board to accept on behalf of the District, all Federal or State Funds for the aid of Education or School construction, should any such funds become available.

10. To transact any other business which may legally come before said Meeting.

Given under our hands and seal this 17th day of February, in the year of our Lord, nineteen hundred and sixty-one.

TO THE CITIZENS OF HOOKSETT

Your School Board reports to the citizens and taxpayers of Hooksett. School business is big business, when 69% of your tax dollar goes to the support of your schools. In order that you may be as well informed on the operation and growth of your school system as possible we have prepared the following report of the activities and progress made in your schools during the past year.

1960 has been an eventful year in the Hooksett schools. The rapid growth in enrollments has necessitated the conversion of the health room at the Underhill School into another first grade classroom and the addition of one more teacher. Every room at Underhill is now in use, and there is an urgent need for expansion of the existing facilities.

The fourth grade at the Village School is overcrowded. Temporary relief steps have been taken, but the solution here calls for an additional teacher for the coming year. The need for more teachers will require more money for salaries. This is indeed an unavoidable situation; but it is our belief that to hold good teachers and encourage others to come to Hooksett, salaries must be competitive. We were very fortunate to keep most of our teachers, although, we did lose several. The salary schedule which we adopted last year will be continued for it is our sincere belief that one of the most important factors in any school system is "Good Teachers --- A Good Faculty". We will continue to do our best to maintain a good sound teaching staff.

Some major repairs have been completed at the Village School. The heating system now operates more efficiently with heat distributed evenly throughout the building. The children are now comfortable in all sections of the school. The playground has been greatly improved by the newly asphalted area, a new stainless steel sink has been installed in the kitchen and a new flag pole will be erected in the spring. Increased food storage capacity has been added at both the Underhill and the Village Schools, through the installation of new upright freezers.

The rapid growth of our Town and of our schools requires the consideration of future building needs NOW. The projection of these needs is but keeping a step ahead and construction for such expansion will be less costly by virtue of sound planning and the federal aid which it now appears will be forthcoming in one form or another.

During this past year the Martins' Corner School was sold to the Deerhead Sportsman Club, an organization whose founders are Hooksett citizens. The net sum realized from this sale was \$9,331.00 which was turned over to the trustee of our capital reserve fund, as specified in last year's warrant.

This tax free money was used to purchase a new up-to-date 73 passenger school bus. Hooksett is the first town in New Hampshire to have a pusher type school bus with all of the latest devices. The modern speaker system has already been instrumental in averting an accident and we plan to purchase a similar system for the other town-owned bus this coming year.

Both of our buses are housed in garages, our first bus at the town garage and our new bus at Sterling Blakely's garage where we were fortunate to find storage space for \$20.00 a month. It is most gratifying to report that the financial statement submitted by the State Auditors showed a balance in the black; thereby wiping out last year's deficit and leaving us with a balance which the tax commission deducted from the 1960-61 appropriation. This helped to reduce our school taxes.

A cooperative school survey was undertaken with Pembroke and Allenstown and many hours have been spent by your School Board and the following men: Paul Simpson, Richard Ayer, and John Broek. We chose these men one from each section of the town so that adequate representation would be had by all sections. They were selected because as parents unencumbered by another public office their fresh approach to this issue could be very helpful and constructive. No matter what course of action the town may take as a result of this study, the information we have gathered will be invaluable for future use.

This is an era of change especially in the field of education; with far reaching effects both locally and nationally. World conditions are in such a turbulent state, that wisdom for world leadership is needed now more than ever. This type of leadership starts in our classrooms. As parents and adults we must do our utmost to prepare our children for whatever may lie ahead. The best education we can make available to them is the least that we can do. We are very sorry that our Supt. Mr. Murray Watson is retiring in June of this year. Mr. Watson had done an outstanding job for us for many years and we shall all miss him. May he enjoy the very best in good health and contentment in his retiring years. We can only hope that his replacement will be as vigorous and as progressive as Murray has been.

May we take this opportunity to thank all of the Town Officials for their cooperation and assistance. May we also say that we are very proud of our Hooksett P. T. A. groups. Both are very active and although we cannot always do everything they would like us to do we are always happy to listen to their constructive and creative ideas.

We also want to thank both principals, all our teachers and the nurse for the outstanding job they are doing. Special recognition is given to all of our bus drivers for their remarkable safety record, and for their splendid job of transporting our children safely; to the custodians at both schools for the exceptionally clean and sanitary condition of both buildings and the many extra services given above and beyond the call of duty, and to our lunch workers for the well-balanced, tasty as well as nourishing food so carefully prepared and served to our children.

The people of Hooksett can be very thankful for the dedicated adults who are doing such a remarkable job of guiding our youngsters and helping them to build their moral fibre through the 4-H Club, Cub and Boy Scouts, and the activities sponsored by the P. T. A.

We would be amiss if we did not also express our thanks and appreciation for the wonderful cooperation given to us by our local radio stations, W K B R, W F E A, and W M U R; especially for the "No School" announcements during inclement weather; to our local newspaper, the Union Leader for their helpful printing of special announcements for our school activities; to Arnold Taylor, owner of the Taylor Trailer Park, for giving us his permission to have our school bus turn around on his premises; to Fred Walker, Maurice Lesmersis and John Broek for the assistance given us during the selection of the new school bus and to Walter Scott for the assistance given Lloyd Roble as he familiarized himself with the new bus and for the use of his parking lot until adequate housing could be secured for it. Please note and read carefully all notices sent home by the principal they are for your information and protection. May we remind you that your children will not be insured for injury unless you, the parents, take out a school insurance policy for them at the beginning of the school year. Eighth grade graduates going on to high school and all students presently attending high school may obtain tuition slips from any one of the school board members.

Our school board meetings are held on the 2nd Tuesday of each month, at each school on alternate months. Anyone wishing to attend is always welcome. Do not forget to attend the Annual School District Meeting in the Town Hall on March 11, 1961. The polls open at 10 a.m. and close at 2:00 p.m. The District Meeting starts at 2 p.m. Please make a special effort to attend this year. There are important issues requiring your vote.

Sincerely,
Your School Board

ARTHUR J. DONATI
ARTHUR B. SANBORN
RAY F. LANGER

REPORT OF SCHOOL DISTRICT TREASURER

Less School Board Orders Paid		<u>240,704.10</u>
Balance on Hand June 30, 1960 (Treasurer's Bank Balance)	\$ 1,084.10	

HELEN M. COURSER,
District Treasurer.

February 1, 1961

To the School Board of Hooksett:

In submitting my 14th report as Superintendent of Schools in Hooksett, may I express my thanks and appreciation for the kindness received from those board and staff members as well as the citizens with whom I have had the pleasure of being associated since the fall of 1947.

We are again faced with the problem of classroom space. Up to January 9, 1961 the district had enrolled 537 children in both schools. Census estimates show that in 1961-62 there will be from 35 to 50 more children registered. We have reached the capacity of the Underhill School. In fact, for this year 1960-61, because of our two Grade 8 rooms, we have been forced to use the health room for the overflow in Grade 1. After graduation and beginning in 1961-62 the overflow in the present Grade 1 will be absorbed in the room used for Grade 8, that is, with modifications. This does not take into consideration the incoming primary grade with an estimated enrollment of 40 youngsters. Please remember, also, that there will be at least 36 students in Grade 8 and 37 students in Grade 7 at the beginning of 1961-62.

At the Village School the picture is just as confusing. We now have two teachers in Grade 1 and two teachers in Grade 4 with 36 pupils in Grade 3 and 35 in Grade 6. These children are going to advance a grade and the incoming class is estimated at 40 youngsters. When school opens in the fall there should be two teachers in Grade 1, two teachers in Grade 2, one in Grade 3 with 36 pupils, one in Grade 4, two in Grade 5, one in each of Grades 6, 7, 8.

This means that we must have eleven teachers in the Village School building with all available rooms in use. It leaves no space for the visual aid program and science or the remedial reading groups.

When the budget was adopted for 1961-62, 19 teachers plus 2 principals were considered. However, it has been necessary to divide Grade 1 at the Underhill School and the Grade 2 - 3 combination at the Village School because of the excessive enrollments - 40 and over. This required another teacher in each school so that instead of 19 teachers and 2 principals, we now have 21 teachers and 2 principals.

With the increased enrollment anticipated next year, it is estimated that 3 or 4 new teachers will be required to meet the situation.

You can readily understand that more classroom space is absolutely necessary.

Therefore, your attention must be directed to some phase of building construction. You are aware of the study that has been made concerning the erection of a Junior High School as a part of a Cooperative School District. This is, without doubt, the best plan for two reasons. First, because it brings the boys and girls of this area together as a working unit, and second, a more comprehensive education would be offered.

However, there is the possibility that a majority of the citizens do not desire to approach the education of the youth of the town with such a plan, and in that respect they have that right in a democracy. Nevertheless, every voter is urged to weigh the merits of this plan carefully and intelligently before making a final decision.

Whether you decide to build a joint Junior High School or not does not alter the fact that as the town expands so do the size of the families and the number of residents. It will follow also that people will be attracted to the town in greater numbers when and if the schools offer the kind of education which meets the needs of the future of the U. S.

At the School District meeting in March 1961 you will be asked to vote for or against one or more plans for the construction of adequate school accommodations. Try to forget for a moment the actual cost of the problem and think of the need for your children. These boys and girls are the voters of tomorrow and in the ever competitive world, these young men and women must meet greater problems and greater obstacles than you have ever faced. Now is the time to prepare them; now is the time to make the right decision.

Every year the budget increases, although in some years more than in others. We must face this fact always whether we like it or not. In the budget for 1961-62 this situation is the same. Why! Undoubtedly the basic and fundamental reason is children. Check your census figures for the past few years and you cannot fail to understand. Many parents now living in Hooksett can remember when the Village School had two grades in one room. Many parents can clearly recall when they walked between one and two miles to school. In those days there were no required courses or required

certificates for teachers. This was true all over America. It isn't too many years ago when no Government taxes were paid -- State or National. Do we want to abandon the services we are receiving by the payment of these taxes? Of course not.

The schools require nearly 80% of all the taxes raised in this town and many other towns. The amount used may be traced without any trouble to two items in the budget -- teachers' salaries and tuition. If you will but check these items for this year you will find that these two items alone were 65% of the entire school budget. Add to this amount such items as debt and interest -- \$26,000; fuel, water, light, and supplies -- \$14,000; retirement -- \$8,000; and others, it is not too difficult to understand the enormous costs of education.

For the past 14 years I have been rather closely associated with many men and women on the School Boards in Hooksett. During this time I believe that personnel changes have been made in the best interests of the children and the school. During the past year it has been my privilege to see in actual operation a school board in Hooksett that made a project of living up to its conception of a policy making body. In rare instances did it condescend to advise or meddle with the administration of the school and in rare instances did it make a decision until all the facts were presented. Never in the short time I have worked with these young men has a decision been made that has not had the interests of the boys and girls of the district uppermost in their discussions and thoughts. It has been a pleasure, gentlemen, to have been associated with you in the difficult tasks we have tried to solve.

It is with sorrow that reference is made here to another gentleman who will never be forgotten in the minds and hearts of the people of the town. His generosity and graciousness will always be deeply remembered and appreciated. Those who were associated with him when he gave the land for the school which bears his name cannot but feel fortunate and happy in knowing such a man. Mr. Fred C. Underhill, we salute you.

May I thank you again for the pleasure of serving you and your children. It has been a privilege that few men and women have been granted.

Respectfully submitted,

Murray H. Watson

YOUR TOWN OFFICERS WELCOME YOUR TWO CENTS WORTH

Americans have a way of expressing their views in down-to-earth, simple terms, and one of these phrases is: "I put in my two cents worth."

Putting in our two cents worth, or expressing our individual opinions, can be vitally important to the future of our country.

Americans have a God-implanted love of free speech, but I have observed during my service in Congress that too few of our citizens take advantage of this privilege of speaking up on government matters.

A reason may be that many people believe their Congressman does not welcome a letter or a telephone call from a citizen who has an opinion on some past, pending or future matter. May I correct this mistaken idea as simply and as clearly as possible? Every Congressman welcomes the opinion and counsel of our citizens because his primary job is to do just that: represent our people in the government of our country. To do this well, the Congressman must know what his people are thinking, and the more opinions he gets the better will be his decisions. Public opinion is a very important factor in a democracy.

The very basis of our government is built around people. What we call politics, elections, legislation--all are attuned to one great determinant, the voice of the people or public opinion.

The people created America, and the people - you and I - must continue to watch over and improve the country our forefathers built and our contemporaries are building. This is our duty and our greater obligation.

As a country, we decided long ago to place this responsibility upon our citizens. Freedom for all was the fruit of this decision, but freedom carries with it the cost of widespread citizen interest and participation in the affairs of government.

One of the best ways to fulfill your duties of active citizenship, of course, is to help elect the man or woman of your choice to public office. But do not stop there. Let me encourage you to take the next step. Keep the persons who represent you in government informed of your views throughout the year. This is an equally important responsibility in our democratic form of government.

Sometimes I think it might be well if we erected a large sign over Congress which contained this thought: Here the opinions of all Americans are heard--and should be heard--with equality. As a result, the sense of their proposals becomes the law of the land.

Or perhaps we should put it in more typical American language: Here your two cents worth does make a difference!

BUDGET OF THE SCHOOL DISTRICT OF HOOKSETT, NEW HAMPSHIRE

1961-1962
